

TERMS and CONDITIONS**CASH****CHECK****CREDIT CARD****Hunting dates: ARCHERY and CROSSBOW November 17, 2017 — March 25, 2018**

Hunters are required to register via e-mail to: lakesonomavc@outlook.com or in person at any of the following locations: Milt Brandt Visitor Center at Lake Sonoma, Lake Sonoma Resort & Marina, Turra's Archery or West Coast Archery. Hunters will be required to show a valid driver's license, valid California hunting license and pig tags. They will be issued a Pig Hunting Property Pass for their vehicle and vessel and given a brief orientation on hunting at the park. Each hunter must clearly display his Pig Hunting Property Pass on the windshield of his vehicle and on the stern of his vessel during the pig hunting season.

After the initial registration process has been completed hunters are asked to fill out a Daily Check-In Slip each time they hunt on the property. The Daily Check-In Slip requires your name, the date, and your vehicle/vessel hunting pass number. This check-in process can be done before, during or after hours at the Milt Brandt Visitor Center or Liberty Glen Campground Entrance Kiosk. Look for extra slips and drop box at these locations.

Hunting stands and game cameras are permitted provided they do not permanently scar the trees. NOTE: No dogs, firearms or airbows can be used for the hunt. Pigs must be gutted at least 100 yards away from any man made structure, trail or campground. Do not dispose of entrails in garbage cans; leave them in the field to attract other boar. Stay within park boundaries even if an injured animal crosses onto private land. Hunters are subject to all park rules and regulations as well as all county, state, and local laws.

The Lake Sonoma shoreline will be off limits from November 17, 2017 to March 25, 2018 to all vessels except those that:

- 1) Clearly display a 2017-2018 Pig Hunting Property Pass on the vessel stern.
- 2) A vessel that is registered for camping and is within 100 yards of the registered campground.
- 3) Vessels whose occupants are within shouting distance and can respond.

Any vessel that does not meet these conditions will be considered "abandoned equipment" and its owner subject to citation

I have read & understand all the conditions of the Lake Sonoma Archery Feral Pig Hunt as well as all applicable state, federal & local laws.
